## **SB 2152 - HB 2365**

January 23, 1998

**SUMMARY OF BILL:** Adds the provision of telecommunications services to the purposes for which a telephone cooperative may be organized. Current law provides that services by a cooperative may not be offered where reasonably adequate service is already provided.

### **ESTIMATED FISCAL IMPACT:**

**MINIMAL**

This bill authorizes but does not mandate that the provisions of the bill be implemented. Any additional cost to the cooperative for the provision of telecommunication services would be borne by the owners of the cooperative.

### **CERTIFICATION:**

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.

A handwritten signature in black ink, appearing to read "James A. Davenport".
